---

## Summary

---

I'm Damanjeet Singh, an intermediate web developer pursuing my Bachelor in Technology (B.Tech) in Computer Science. This academic journey has equipped me with a strong foundation in computer science principles and coding expertise. With a deep passion for web development, I'm dedicated to designing and building stable, user-friendly websites. As an aspiring web developer and a potential full-stack developer, I'm excited about the endless possibilities in this dynamic field. I am committed to applying my education and skills to create innovative digital experiences.

## Past Experience

---

### Make A Mine | New Delhi, Delhi

#### Freelance Web Developer/Designer | 10/2023 - 11/2023

Make a Mine is a burgeoning digital marketing startup that has granted me the exciting opportunity to craft their online presence. As we collaborate to shape their website, I'm thrilled to be part of a team that's dedicated to driving success in the ever-evolving digital landscape. Together, we're creating a website that embodies their innovative approach and commitment to excellence, ensuring an engaging online destination for their clients. I'm eager to contribute to Make a Mine's growth and help them shine in the digital marketing arena

### Twilearn | Wz-32/8F ,2nd floor, Sant Garh New Delhi, Delhi

#### Web Developer Trainee | 04/2023 - 05/2023

Participated in a training internship program hosted by Twilearn, an esteemed online learning platform, where I acquired valuable knowledge and skills in [mention the specific field or subject of the training]. Successfully completed the program and earned a certificate, which can be viewed at <https://drive.google.com/file/d/1YNiOEd123aC7LQsmnVLsUxZx4wRgM6a0/view?usp=sharing>. This experience demonstrates my commitment to continuous professional development and my ability to acquire and apply new skills effectively.

## Skills

---

Javascript, REST, HTML5, CSS, ReactJS, Express.js, Programming, Python, Full Stack Developer, Communication skills, Web Design, Backend Development

## Education

---

### Dr.Akhilesh Das Gupta Institute of Technology and Management | Delhi

#### B.Tech CSE | 07/2026

Pursuing a **Bachelor of Technology** degree in **Computer Science and Engineering**, I am committed to advancing my knowledge and skills in the dynamic field of technology. This educational endeavor represents my dedication to academic excellence and the acquisition of a strong foundation in computer science principles and engineering concepts.
